RE: Pen Pal Program

To Whom It May Concern:

I would like to implement a Pen Pal Program with students' grades 3-6 and the Berkeley Senior Citizens.

This program would be on a voluntary basis between both parties in the hopes of integrating both students and seniors on a more personal level.

I was hoping it would develop along the lines of an Adopt A Senior where students would write monthly about their interests, school activities, hobbies, etc. and the seniors could do the same.

It is my long term goal to bridge the gap between the two groups, bring the kids back to the basics of writing a letter, and perhaps having the seniors become vested in the success of the future of the child.

Thank you for your cooperation in this matter.

Yours in health,
Cheryl A. Altieri
